THE NEW STANDARD IN SALES

What high-performing reps are already using.

localsearch

THE 4-PROMPT SALES SYSTEM

Win before you dial.
Control objections.
Win the follow-up.
Multiply your pipeline.

localsearch

1 — WIN BEFORE YOU DIAL

60 seconds of prep changes everything.

localsearch

PRE-CALL INTELLIGENCE PROMPT

I'm a digital marketing sales consultant calling:

Business Name:
Location:
Website:

In 60 seconds give me:
1. What they do and who they serve (2 sentences)
2. 3 strengths in their online presence
3. 3 gaps or missed opportunities
4. The biggest revenue opportunity
5. A strong opening line for my call

Keep it concise and practical.

localsearch

2 — CONTROL THE CALL

Prepared reps don’t freeze.

localsearch

OBJECTION RESPONSE BUILDER

I sell digital marketing services to Australian small businesses.

For each objection:
1. What is the real concern behind it?
2. Give me a confident, conversational 2–3 sentence response.
3. Give me a question to regain control.

Objections:
- We tried SEO before and it didn’t work
- We already have someone doing marketing
- We don’t have the budget
- Digital doesn’t work for our industry
- Just send me some info

localsearch

3 — WIN THE FOLLOW-UP

Speed wins deals.

localsearch

HIGH-CONVERSION FOLLOW-UP EMAIL

I just had a sales call with:

Business:
Industry:
Location:

On the call they told me:
- [Insert notes]

Write a personalised follow-up email that:
- Thanks them naturally
- References what they told me
- Suggests 2–3 relevant improvements
- Ends with a clear next step

localsearch

4 — MULTIPLY YOUR PIPELINE

Turn one call into ten prospects.

localsearch

FIND SIMILAR PROSPECTS

I just spoke to a [type of business] in [suburb].

List 15 similar businesses in surrounding suburbs that are likely to need digital marketing help.

For each include:
- Business name
- Likely pain point
- Why they're a strong prospect
